

Individual Critical Task List

65D Physician Assistant - Readiness Requirements
Officer, AOC: 65D

Approved
08 Mar 2022

Effective Date: 08 Mar 2022

Distribution Restriction: Approved for public release; distribution is unlimited.

Destruction Notice: None

Foreign Disclosure: FD2 - This training product has been reviewed by the training developers in coordination with the Joint Base San Antonio, Fort Sam Houston/US Army Medical Center of Excellence (MEDCoE) foreign disclosure officer. This training product can be used to instruct international military students when the country meets specific criteria. Specify requirement(s) that each country must meet (select all that are appropriate): 1) Must purchase equipment through FMS Not Applicable; 2) Must be a member of a specific group or coalition Joint Security Cooperation Education and Training Standards; AR12-15, SECNAVINST 4950.4B and AFI 16-105; 3) Must have an accepted clearance (must be authorized under an identified general security agreement with the US); 4) May not attend FD3 modules Not Applicable; 5) Other Must have an accepted clearance and identified under a general security agreement with the United States.

Target Audience: This ICTL identifies the Readiness Requirements a 65D, Physician Assistant, must maintain proficiency on. The unit training POC, via the Digital Training Management System, will track these tasks.

Note: Tasks indicating institutional training requirements with a sustainment training frequency of Biennially (BA) require the actual frequencies listed below to maintain currency.

- Complete Brigade Medical Provider Course - One-time
- Complete Tactical Combat Medical Care Course - Every four years
- Complete Army Trauma Training Center - Every four years
- Complete Medical Management of Chemical and Biological Casualties Course - One-time
- Complete Medical Effects of Ionization Radiation - One-time
- Complete Advanced Burn Life Support - Every four years
- Complete Advanced Trauma Life Support - Every four years
- Complete Military Vaccination Course - Every four years

Total Number of Tasks: 26

- **Training Domain/Location Column** – identifies the training location and the Leadership Domain (Institutional, Operational, or Self-Development) where the task is first trained to soldier training publications standards. If the task is first trained to standard in the unit, the word “OP” will be in this column. If the task is first trained to standard in the training base, it will identify, by brevity code (S-D, INST), the resident course where the task was taught.
- **Sustainment Training Frequency Column** – indicates the recommended frequency at which the tasks should be trained to ensure soldiers maintain task proficiency.
- **Sustainment Training Skill Level Column** – lists the skill levels of the MOS for which soldiers must receive sustainment training to ensure they maintain proficiency to soldier’s manual standards.

Task Number	Task Title	Training Domain / Location	Sust Tng Freq	Sust Tng Sl
