## **ART 1.1.2.1 Conduct Predeployment Activities**

Predeployment activities are actions taken to prepare forces for deployment and are not limited to the deploying unit, but include supporting units and the installation staff. Planning, document preparation, equipment readiness, and training are the foremost predeployment unit activities. (FM 3-35) (CASCOM)

| NO.                | Scale   | Measure  |  |
|--------------------|---|--|--|
| 01                 | Yes/No  | Unit is trained to minimum operationally ready status. |  |
| 02                 | Yes/No  | Unit evaluated during exercises for deployment.        |  |
| 03                 | Yes/No Unit provided with base support, such as trainir |  |  |
|                    |   | ranges, facilities, ammunition and general support.    |  |
| 04                 | Yes/No  | Unit performed mission-essential and other required    |  |
| tasks to standard. |   |  |  |
| 05                 | Yes/No  | No Unit reviewed maintenance posture and performed     |  |
|                    |   | required services.                                     |  |
| 06                 | Yes/No  | Unit reviewed Soldier readiness processing and         |  |
|                    |   | contractor personnel related                           |  |
|                    |   | procedures.  |  |
| 07                 | Yes/No  | Unit conducted a loading exercise of its vehicles and  |  |
|                    |   | equipment to include containers and garrison close out |  |
|                    |   | procedures (if applicable) before developing and       |  |
|                    |   | inputting unit movement data into automated            |  |
|                    |   | deployment systems. These systems include              |  |
|                    |   | Transportation Coordinator's Automated Information for |  |
|                    |   | Movements System II (TC-AIMS II) and the Joint         |  |
|                    |   | Operations Planning and Execution System (JOPES).      |  |
| 08                 | Yes/No  | Unit reviewed and updated vehicle load plans and       |  |
|                    |   | container packing lists.                               |  |
| 09                 | Yes/No  | Unit cross-leveled and redistributed personnel and     |  |
|                    |   | equipment to meet supported commanders' force          |  |
| 10                 | N/ /N I   | requirements.  |  |
| 10                 | Yes/No  | Unit included contractors authorized to accompany the  |  |
| 11                 | V = = /N   =  | force in its force planning processes.                 |  |
| 11                 | Yes/No  | Unit updated organizational equipment lists based on   |  |
| 10                 | V = = /N   -  | warning order.   |  |
| 12                 | Yes/No  | Unit updated unit deployment list based on warning     |  |
|                    |   | order.   |  |

| 13 | Yes/No | Unit loaded its designated operational systems per the |
