

ART 6.2.2.4 Redeploy Personnel Recovery Capabilities

As units redeploy, either back to continental United States (CONUS) or to another area of operations (AO), actions accomplished for PR are similar to those undertaken during deployment. An important task is the transfer of PR responsibility, including the key task of transferring lessons learned gathered during after action reviews. When units redeploy to CONUS, PR responsibility for the AO transfers to incoming forces. If redeploying to another AO, units integrate into that AO's established PR architecture or build one if it does not exist.
