

ART 6.4.1.2 Decide Target Engagement

Determine the appropriate application of military options and weapons resources on identified objects. Identify the process used to execute a course of action developed to engage a target determined by situational awareness and available weapons or resources. Select a course of action as the one most favorable to accomplish the mission. In an estimate of the situation, a clear and concise statement of the line of action intended to be followed by the commander as the one most favorable to successfully accomplishing the mission.(FM 3-20.15) (USAARMC)
