

ART 5.8.1.3 Conduct Traffic Operations

Develop and implement plans and policies concerning traffic flow, traffic safety, and enforcement of traffic laws. Conduct traffic accident investigation and prevention as well as implement traffic control studies, surveys, and necessary traffic enforcement programs. Assist in implementing traffic education and safety programs. In support of the deployed operational commander, maintain the security and viability of the strategic and tactical lines of communication so commanders can deploy and employ their forces. Support the commander's freedom of movement by operating traffic control posts, defiles, or mobile patrols; erecting route signs on main or alternate supply routes; or conducting a reconnaissance for bypassed or additional routes. Conduct traffic studies for the ground commander and provide recommendations to ensure traffic ability on critical routes including identification of reserved or restricted routes, traffic control measures, and other protection measures. Provide a permanent representative to the highway traffic headquarters in the theater of operations. Conduct host-nation training and support pertaining to traffic operations. (FM 3-39) (USAMPS)
