

### ART 4.1.4.3 Provide Base Camp Sustainment

Provide base camp sustainment facilities and services to Soldiers and other authorized personnel conducting full spectrum operations. Provision of this support to authorized individuals and units occurs regardless of their physical location within or external to a base, facility, installation, camp, or station. ART 4.1.4.3 includes the provision of clothing and textile repair support, hygiene services (shower, laundry, and latrine support), nutrition support, and general purpose shelters and systems. Environmental considerations for a base camp are significant and similar to those for an installation. (FM 4-20.07) (CASCOM)

Note: ART 4.1.3.11.1 (Purify Water) addresses water purification support. ART 4.1.7 (Provide General Engineering Support) addresses construction, repairing, maintenance, and operations of permanent and semipermanent water facilities, such as the drilling of water wells. ART 4.1.7.5 (Provide Facilities Engineer Support) addresses waste management; the acquisition, management, and disposal of real estate; firefighting support; and the construction, management, and maintenance of bases and installations.
