**Foreign Disclosure: FD1** - This training product has been reviewed by the training developers in coordination with the IPO foreign disclosure officer. This training product can be used to instruct international military students from all approved countries without restrictions.

**Target Audience:** This Individual Critical Task List is for Soldiers and civilians who are assigned to be an Information Operations Planner (Additional Skill Identifier P4).

Total Number of Tasks: 16

- **Training Domain/Location Column** – identifies the training location and the Leadership Domain (Institutional, Operational, or Self-Development) where the task is first trained to soldier training publications standards. If the task is first trained to standard in the unit, the word “OP” will be in this column. If the task is first trained to standard in the training base, it will identify, by brevity code (S-D, INST), the resident course where the task was taught.
- **Sustainment Training Frequency Column** – indicates the recommended frequency at which the tasks should be trained to ensure soldiers maintain task proficiency.
- **Sustainment Training Skill Level Column** – lists the skill levels of the MOS for which soldiers must receive sustainment training to ensure they maintain proficiency to soldier’s manual standards.
