

ART 4.1.4 Provide Field Services

Environmental considerations embedded in providing field services support are many and varied and will have an effect on every subordinate task. (FM 4-0) (CASCOM)

NO.	Scale	Measure
01	Yes/No	Procedures to provide field services did not negatively impact on supported units' ability to perform missions.
02	Time	Required to develop or update plans to establish field services operations after receipt of warning order.
03	Time	To establish field services operations for military, Army civilians, qualifying contractors, and other personnel in the AO.
