

ART 2.3.5.2 Conduct Intelligence Coordination

Conduct intelligence coordination is the task carried out by the intelligence section to facilitate active collaboration, laterally and vertically. It includes establishing and maintaining technical channels to refine and focus the intelligence disciplines in intelligence, surveillance, and reconnaissance (ISR) tasks. It also properly coordinates the discipline assets when operating in another unit's area of operations (AO). (FM 2-0) (USAICoE)

NO.	Scale	Measure
