

GETTING TO KNOW CPT WOMACK, CAMP HHC COMMANDER

<p>Professional Goals and Priorities: Wants to progress technically and tactically in her assignment as Garrison, HHC</p>	<p>Previous assignments and career experiences: ROTC; three years as Engineer platoon leader; Company XO; one deployment to Iraq</p>
<p>Key challenges in current assignment: Getting along with 1SG</p>	<p>Important family members: Husband; close to parents</p>
<p>Personal leadership strengths and developmental needs: Encourages innovation in her Soldiers, conveys significance of work to Soldiers; needs to work on communication with 1SG</p>	<p>Housing location and transportation to work: Lives on post, bicycles to work</p>
<p>Satisfaction with work and the Army profession: Satisfied, but misses her husband. Holding back because disappointed in the HHC job – wanted an Engineer company command</p>	<p>Unique skills (beyond military): Avid soccer player</p>
<p>Relationship with peers and subordinates: Generally good, but does not get along with 1SG</p>	<p>Main interests outside of work: Interested in foreign affairs and enjoys learning about the local culture</p>
<p>Feelings about boss and our work relationship: Wants to assist in installation decision-making efforts</p>	<p>Personal stressors: Fear of failure; doesn't like her authority publicly challenged</p>
