

ART 7.3.3.2 Control Movement of Dislocated Civilians

Assist, direct, or deny the movement of civilians whose location, direction of movement, or actions may hinder operations. Army forces do not assume control of dislocated civilian movement unless requested to do so by the host nation or unless operating in an environment with a hostile government.

NO.	Scale	Measure
01	Yes/No	Dislocated civilians did not interfere with the conduct of unit operations.
02	Yes/No	Unit developed plans to handle the movement of dislocated civilians in the AO.
03	Yes/No	Unit updated higher headquarters on the progress of the operation.
04	Yes/No	Soldiers treated dislocated civilians per the Geneva Convention and agreements between the United States and host nation.
05	Percent	Of subordinate elements assisting civil affairs and host-nation agencies in conducting populace and resources control operations.
06	Number	Of identified populace resources that must be denied contact with the enemy.
07	Number	Of dislocated civilians diverted from routes and areas when they might interfere with U.S. and allied military operations.
08	Number	And location of dislocated civilian collection points and assembly areas.
