

ART 1.1.3 Conduct Demobilization of Tactical Units

Demobilization is the act of returning the force and materiel to a premobilization posture or to some other approved posture. Demobilization actions occur in the area of operations, between the port of embarkation (POE) and demobilization station or POE and continental United States (CONUS) demobilization center, at the demobilization station and CONUS demobilization center, and at home station or home of record. This task also includes environmental considerations. (FM 3-35) (CASCOM)

NO.	Scale	Measure
01	Yes/No	Unit family members continued to receive authorized support, assistance, and counseling during operational deployments of Soldiers.
02	Yes/No	Rear detachment maintained and accounted for unit installation property and equipment throughout the unit's deployment.
03	Yes/No	Rear detachment established rear detachment program before beginning deployment activities.
04	Yes/No	Environmental considerations associated with departing units have been identified and appropriate actions taken.
05	Time	To turn over residual equipment, supplies, and facilities to appropriate authorities when the unit will not return to home or mobilization station.
06	Time	To conduct rear detachment administrative and logistic activities.
07	Time	To establish a functioning family support group.
08	Time	To provide quality and meaningful assistance to unit family members during times of need and support.
09	Percent	Of rear detachment administrative and logistic reports submitted on time.
10	Percent	Of residual equipment, supplies, and facilities turned over to appropriate authorities when unit returns to home or mobilization station.

Supporting Collective Tasks:

Task No.	Title	Proponent	Echelon
