

## ART 6.2.1 Ensure Personnel Recovery Readiness During Premobilization

Ensure PR readiness during premobilization by including PR in all efforts during peacetime to organize, train, and equip to accomplish missions. Premobilization preparation actions are necessary for commanders and their staffs, units, and individuals and consist of reviewing and developing PR guidance, acquiring PR equipment, ensuring PR administrative requirements are met, and conducting PR-focused education and training.

NO.	Scale	Measure
01	Yes/No	The commander, staff, units, and individuals reviewed and developed PR guidance.
02	Yes/No	The commander, staff, and units acquired PR equipment.
03	Yes/No	The commander, staff, units, and individuals conducted PR-focused education and training.
04	Yes/No	Subordinate commands and units integrated PR into internal SOPs consistent with guidance from higher headquarters.
