Warfighter Training Support Package (WTSP)

Plan Theater Postal Support

WTSP Instruction Document

Condition: The Human Resources Sustainment Center (HRSC) has been alerted for deployment to a specified operational theater to support US and coalition forces. The Postal Operations Division has all authorized personnel and equipment. The HRSC has received the operations order/plan and initial planning guidance from the Support Operation Branch of the Theater or Expeditionary Sustainment Command, as appropriate. The HRSC and higher headquarters tactical standing operating procedures are available. Terrorists and other hostile force sympathizers may be operating in the area. This task should not be trained in MOPPA4.

Standard: Establish liaison with the Military Postal Service Agency (MPSA), Joint Military Postal Activity (JMPA), Military Mail Terminal Team, and Support Operations (SPO) Branch of the Theater or Expeditionary Sustainment Command, as appropriate. Develop plans and policies for postal support to the theater prior to movement of postal elements.
