

ART 4.2.1.3.2 Provide Morale, Welfare, and Recreation and Community Support Activities

Provide Soldiers, Army civilians, and other authorized personnel with recreational and fitness activities, goods, and services. The morale, welfare, and recreation network provides unit recreation and sports programs and rest areas for brigade-sized and larger units. Community support programs include the American Red Cross and family support. (FM 1-0) (USAAGS)

NO.	Scale	Measure
01	Yes/No	Unit personnel and other authorized individuals had safe means to release some of the stress imposed on them as a result of their participation in full spectrum operations.
02	Yes/No	Quality of morale, welfare, and recreation program met unit and individual needs.
03	Time	To coordinate for the establishment of adequate recreation or fitness facilities in AO.
04	Percent	Of deployed units that have access to American Red Cross programs.
05	Percent	Of personnel with access to adequate recreational or fitness facilities.
06	Percent	Of deployed personnel who have access to rest and recuperation facilities.
07	Percent	Of units that have active family and community support programs.
08	Number	Of hours per day allotted to personal leisure, recreational, and fitness activities.
