

Awareness Training TSP 159-D-0003
COE Actors and Role-Players Handbook
TSP File Overview

1. This Training Support Package provides standardized lessons for presenting Awareness Training on the COE Actors and Role-players Handbook. It is designed primarily for instructors and trainers of U.S. military forces, however, other applicable groups include interagency, intergovernmental, civilian contractors, nongovernmental, private volunteer, and humanitarian relief organizations may use it also. The COE Actors and Role-players Handbook incorporates an understanding of the Contemporary Operational Environment, the training unit mission, tools for trainers, outfitting and materiel, media affairs, and a training program concept into the training and development of role-players. Alternatively, students in U.S. Army Officer and NCO courses, as well as individual soldiers and units can use the TSP to enhance their understanding of the role-playing.
2. The files on this CD provide the information and training material necessary to conduct both classroom training as well as individual study. The files, in the recommended order of viewing, are listed below:
 - a. **READ ME FIRST – TSP OVERVIEW:** Provides an overview of the structure of this TSP.
 - b. **Awareness Training TSP 159-D-0003 User Software Guidance:** This is a MS PowerPoint file that provides the instructions on how to navigate through the various lessons of the TSP. It is applicable to both instructors presenting normal classroom training, as well as individuals participating in a self-study mode.
 - c. **Awareness Training TSP 159-D-0003 Course Map:** This is a MS Word file that details the order in which the various lessons should be taken. Page one is the map for classroom instruction and page two is the map for individual study. In either case, **Lesson 1 – Introduction** should be the first lesson studied since it lays out the genesis of COE doctrine contained in the manual.
 - d. **159-D-0003 Task Summary:** This is a MS Word file that provides the summary of the task supported by the TSP, “COE Actors and Role-Players Handbook.”
 - e. **Awareness Training TSP 159-D-0003 Lesson Plan:** This is a MS Word file that provides the lesson plan for the TSP. It provides a review of each lesson, with the applicable learning steps for each one. It also contains a script that can be either used by the instructor during classroom presentations, or used by a student as supporting documentation for each slide.
 - f. **Awareness Training TSP 159-D-0003 Classroom Visuals:** This folder contains MS PowerPoint slides usable for classroom presentations. It contains a single file of the 8 lessons.

- g. **Awareness Training TSP 159-D-0003 Individual Study Visuals:** This folder contains MS PowerPoint slides usable for individual study. The normal slide view or slide show view is used for classroom instruction. The notes page view contains the script noted above in the lesson plan. The notes pages can be used by instructors during presentations and can also be used by individuals participating in a self-study mode.
