

ART 7.6.1.5.4 Provide Logistic Support to Counterdrug Efforts

Army forces can assist law enforcement agencies or host nations during their conduct of counterdrug operations with logistic management and execution. This includes transportation, maintenance, engineer design and construction, use of facilities, equipment loans, or military working dog support. Army forces can provide supplies and field services directly, if authorized, or assist other agencies in procuring and managing them from other sources. Commanders who assist law enforcement with transportation of evidence, seized property, or contraband ensure a law enforcement officer accompanies the shipment to maintain continuity of the chain of custody.
