

ART 5.1.2.6 Integrate New Units and Soldiers into the Force

Assimilate new units and Soldiers into the force in a posture that allows them to contribute effectively to mission accomplishment during an operation. This includes receiving and introducing them to the force and the operational environment; orienting them on their place and role in the force and the operation; establishing command relationships, sustainment, and communications within the force; and training them in the unit standing operating procedures and mission-essential task list for the operation. (FM 6-0) (USACAC)

NO.	Scale	Measure
