

Training and Evaluation Outline Report

Task Number: 71-8-7350

Task Title: Coordinate Public Sector Investment Programs (Battalion – Corps)

Distribution Restriction: Approved for public release; distribution is unlimited.

Destruction Notice: None

Foreign Disclosure: FD1 - This training product has been reviewed by the training developers in coordination with the Fort Leavenworth foreign disclosure officer. This training product can be used to instruct international military students from all approved countries without restrictions.

Supporting Reference(s):

| Step Number | Reference ID | Reference Name | Required | Primary |
|-------------|--------------|----------------------|----------|---------|
| | ADRP 3-07 | Stability | Yes | No |
| | ATP 3-07.5 | Stability Techniques | Yes | Yes |

Condition: The command receives a mission order from higher headquarters and the commander issues guidance on coordinating public sector investment programs. The command establishes communications with subordinate and adjacent units, and higher headquarters. The mission command system is operational and processing information. This task should not be trained in MOPP 4.

Standard: The staff coordinates public sector investment programs through the establishment of policies and regulatory framework that supports basic economic activity, prioritizes public investment needs, and ensures the planning of resource allocation that encourages trade and investment with initial emphasis on host-nation and regional investors.

Safety Risk: Low

Environment: Environmental protection is not just the law but the right thing to do. It is a continual process and starts with deliberate planning. Always be alert to ways to protect our environment during training and missions. In doing so, you will contribute to the sustainment of our training resources while protecting people and the environment from harmful effects. Refer to FM 3-34.5 Environmental Considerations and GTA 05-08-002 ENVIRONMENTAL-RELATED RISK ASSESSMENT. .

Safety: In a training environment, leaders must perform a risk assessment in accordance with ATP 5-19, Risk Management. Leaders will complete the current Deliberate Risk Assessment Worksheet in accordance with the TRADOC Safety Officer during the planning and completion of each task and sub-task by assessing mission, enemy, terrain and weather, troops and support available-time available and civil considerations, (METT-TC). Note: During MOPP training, leaders must ensure personnel are monitored for potential heat injury. Local policies and procedures must be followed during times of increased heat category in order to avoid heat related injury. Consider the MOPP work/rest cycles and water replacement guidelines IAW FM 3-11.4, Multiservice Tactics, Techniques, and Procedures for Nuclear, Biological, and Chemical (NBC) Protection, FM 3-11.5, Multiservice Tactics, Techniques, and Procedures for Chemical, Biological, Radiological, and Nuclear Decontamination. .
