

Individual Critical Task List

68D Readiness Requirements Operating Room Specialist
Enlisted, MOS: 68D

Approved
10 May 2024

Effective Date: 10 May 2024

Distribution Restriction: Approved for public release; distribution is unlimited.

Destruction Notice: None

Foreign Disclosure: FD1 - This training product has been reviewed by the training developers in coordination with the Joint Base San Antonio, Fort Sam Houston/US Army Medical Center of Excellence (MEDCoE). foreign disclosure officer. This training product can be used to instruct international military students from all approved countries without restrictions.

Target Audience: This supplemental ICTL identifies the Readiness Requirements a 68D must maintain proficiency on. The unit training POC, via the Digital Training Management System DTMS, will track these tasks. This list does not replace the complete ICTL. The Soldier must maintain proficiency on all tasks relative to their skill level.

Total Number of Tasks: 20

- **Training Domain/Location Column** – identifies the training location and the Leadership Domain (Institutional, Operational, or Self-Development) where the task is first trained to soldier training publications standards. If the task is first trained to standard in the unit, the word “OP” will be in this column. If the task is first trained to standard in the training base, it will identify, by brevity code (S-D, INST), the resident course where the task was taught.
- **Sustainment Training Frequency Column** – indicates the recommended frequency at which the tasks should be trained to ensure soldiers maintain task proficiency.
- **Sustainment Training Skill Level Column** – lists the skill levels of the MOS for which soldiers must receive sustainment training to ensure they maintain proficiency to soldier’s manual standards.

Task Number	Task Title	Training Domain / Location	Sust Tng Freq	Sust Tng Sl
-------------	------------	----------------------------	---------------	-------------

Subject Area 1. Forward Resuscitative Surgical Detachment (FRSD)

081-000-3100	Manage Routine Operating Functions of the Detachment	INST	SA	3-4
