

ART 5.1.4.3.3 Provide Reattack Recommendation

Make recommendations to the commander, considering the level to which operational objectives have been met regarding reattack and other recommendations that address operational objectives relative to target, target critical elements, target systems, and enemy combat strengths. (FM 3-60) (USAFAS)

| NO. | Scale | Measure |
|-----|---------|--|
| 01 | Yes/No | Reattack recommendations were effective and efficient. |
| 02 | Time | To commence subsequent operations or execute other options. |
| 03 | Time | To provide full assessment of attacks to joint force commander. |
| 04 | Time | To assess reattack requirement (after attack). |
| 05 | Time | To provide initial reattack assessment of attacks to force commander. |
| 06 | Percent | Of high-payoff target attacks unsuccessful. |
| 07 | Percent | Of high-payoff targets assessed as killed later assessed as being mission capable. |
| 08 | Percent | Of high-payoff targets that require reattack. |
| 09 | Percent | Of high-payoff targets successfully attacked. |
| 10 | Percent | Of difference between higher level and force assessment of reattack requirement. |
| 11 | Percent | Of targets unnecessarily reattacked. |

Supporting Collective Tasks:

| Task No. | Title | Proponent | Echelon |
|-----------|---|---|-----------|
| 01-1-5121 | Conduct Aerial Attack Missions | 01 - Aviation/Aviation Logistics (Collective) | Battalion |
| 71-8-5143 | Provide Combat Assessment (Battalion - Corps) | 71 - Combined Arms (Collective) | Corps |
